Tekniset tiedot

IRC200 chassis with Built in Power.

This 1-slot, industrial grade, media converter chassis, the IRC200, is a fan-less design, that has built in power module. The
chassis is able to operate temperature ranges (-10~65°C). The media converter cards available support conversion for Fast
Ethernet, Gigabit Ethernet, serial communications or I/O Contact Closure over fiber media. This chassis may be deployed in
Industrial Ethernet, automation, security, intelligent transportation systems (ITS) and utility market applications where
environmental conditions exceed commercial product specifications.
