Tekniset tiedot

TELTONIKA TSW202 MANAGED PoE+ SWITCH
TSW202 is the first-ever Teltonika Networks managed PoE+ switch, designed to provide granular network management capabilities while centralizing power distribution. This PoE+ switch enables flexibility over solution management and power supply and enhances M2M communication by supporting a wide range of industrial protocols, including EtherNet/IP, Profinet, and MRP. The TSW202 has 2 high-performance SFP ports for long-range fibre optic communication and 8 Gigabit Ethernet ports providing 30 W of power each.
